

## Sweden - Workshop Croatia

### Pippi Longstocking

**Education purpose:** to get knowledge about a famous Swedish whriter called Astrid Lindgren and her famous character Pippi Longstocking.

We introduced the workshop with a short film with Pippi Longstocking. Then we sang a song in Swedish about this character. We had to practise the words before though. The pupils colored a picture of Pippi Longstocking and made plates of yarn to put on her head.

**Materials used:** drawings to color, color pens, glue, yarn and rubber bands.

**Evaluation:** this was a popular activity although the children already knew about Pippi Longstocking!
